## **An Overview of the Revised Discernment and Ordination Process**

The Book of Common Prayer states that the ministers of the Church are lay persons, bishops, priests, and deacons. (BCP, pg.855) At our baptism, each of us has been commissioned to a life of prayer and service, proclaiming the Good News of God in Jesus Christ as we strive for peace with justice for all. As baptized persons, all followers of Jesus live lives of continual discernment, always listening and testing in community what we might be sensing of God's intention for our life and work. It is in community that we identify our gifts for ministry.

The role of the community in discernment is an important one. Whether an individual is discerning options for lay ministry and leadership or is sensing a call into Holy Orders, discernment is a prayerful, Spirit-filled process that occurs within that person's community of faith. The community helps each member identify their gifts for leadership and service and by this process the entire Body of Christ is broadened and strengthened.

In The Episcopal Church, when an individual senses a call into Holy Orders it is the community (priest and laity) that is required to listen prayerfully to discern whether they, too, hear God's call for the individual into ordained ministry. Discernment, particularly in this early stage, considers whether God is calling an individual into ordained ministry, as well as whether the individual's gifts and strengths match the demands and challenges of ordained leadership at this time in the life of the church.

The role of the church in our society has changed over the last several decades. Many people are seeking spiritual sustenance but no longer feel the institutional church can meet their longings. Therefore, the demands of ordained ministry have changed. These new demands require different gifts and strengths in our ordained leaders. The church needs priests and deacons who are able to share the Good News in new contexts and in new and creative ways. At the same time, the ordained leaders of the church need to be able to equip the laity to understand the changing needs of our communities.

Given the new landscape the church now inhabits, the Commission on Ministry in the Diocese of Western North Carolina has revised our diocesan discernment process to strengthen the community, its priest and lay members, in their task of prayerful listening for God's call. As the community engages the spiritual practice of prayerful discernment, they will be listening deeply and intentionally in order to hear and understand the movement of the Spirit in an individual's life. At the same time, in order to clarify God's call and help the individual move more deeply into that call, the community will also discern how well that individual's gifts and strengths match the

demands of ordained ministry in the church at this time.

To aid in this prayerful discernment, the Commission on Ministry has articulated the qualities that we sense are needed in ordained leaders at this particular time in the life of the church. The qualities are divided into four areas of exploration: Sense of Self, Spiritual Vitality, Relational Maturity, and Capacity to Lead. The COM has developed a survey instrument (Addendum 1: *Qualities for a Life-giving Ordained Ministry*) to provide the individual and those involved at every level of the discernment process— Rector/Priest-in-Charge, Parish Lay Discernment Committee, Commission on Ministry, Standing Committee, Field Placement Supervisor, and Bishop—a way to discern the presence of these qualities in the Nominee. By ascertaining the presence and development of these qualities at every level throughout the discernment process, increasing clarity will emerge about the shape of ministry that will be the most life-giving both for the Nominee and for the Church that he or she is seeking to serve.

This manual outlines the steps in the discernment process from Nominee through Postulancy, Candidacy and Ordination. Beginning on **page 53** of this manual is a flowchart of this process and a checklist of the documents, reports and actions that are required at each stage of the discernment process. This checklist is provided as an aid for the Nominee, as well as all involved in the Nominee's discernment.

Vocational discernment is exciting and challenging and best done prayerfully and intentionally, in community and over time. We hope that this manual provides clear guidance for those entering discernment as well as those who walk with them on this journey.

## Nominee

### Step 1: Initial Conversations between the Rector/Priest-in-charge and Nominee

Rector/Priest-in-Charge and Nominee read the COM manual thoroughly to familiarize themselves with the entire discernment process.

Rector notifies the Bishop's office and the COM Chair that discernment has begun.

COM Chair assigns a liaison to assist the Rector/Priest-in-Charge and Nominee. The COM Chair will connect directly with the Rector/Priest-in-Charge regarding next steps.

The Rector/Priest-in-charge will ensure that the Nominee and the Vestry understand and follow the process from early discernment through Ordination.

It is always the Rector's/Priest's-in-charge responsibility to provide pastoral care and guidance to the Nominee. It is the mutual responsibility of the Rector/Priest-in-charge and the Nominee to make certain that all requirements are met and all forms and documents are submitted in a timely manner. **Failure to do so can result in a delay of the discernment process. Provided in this manual is a flowchart and detailed checklist that both Nominee and Rector/Priest-in-charge should use to keep track of all required steps.**

The Nominee must have been a confirmed communicant in good standing in the local congregation for one year and be able to provide evidence of baptism and confirmation to the Rector/Priest-in-charge. (Title III.6.2(b)(3))

Special permission shall be sought from the Bishop to initiate a discernment process when a congregation is in an interim phase.

The Rector/Priest-in-charge begins an intentional, prayerful conversation with the Nominee in order to hear the Spirit's movement and God's call. Utilizing the assessment tool *Qualities for a Life-giving Ordained Ministry* (**Addendum 1**) the Rector/Priest-in-charge and the Nominee also discern how well that individual's gifts and strengths match the demands of ordained ministry. The Commission on Ministry seeks to offer guidance for these conversations while also granting the Rector/Priest-in-charge generous latitude in how she/he explores these questions in each specific case. Best practices for these conversations include the following:

- Begin and end in prayer.
- Establish an environment of trust and acceptance with the assurance that this time together is safe, sacred, and confidential.
- Help the Nominee to understand that her/his initial call *is to the process of discernment*. It is through discernment that the more specific call of God will be heard and known.
- Engage in open-ended questions that prompt the Nominee to reflect upon and articulate how his/her understanding of God's movement in his/her life at this time.
- Listen to the stories/narrative the Nominee shares for evidence of the *Qualities for a Life-giving Ordained Ministry*.
- Structure the conversations to explore the four sections of *Qualities for a Life-giving*

*Ordained Ministry*: Spiritual Vitality, Sense of Self, Relational Maturity, and Capacity to Lead. The definitions provided for each quality can help formulate questions to explore the quality.

- If the Nominee has not led anything in the congregation, have them create a ministry project that would involve recruiting, organizing, and leading others. This will help both the Rector/Priest-in-charge and the Nominee gauge his/her capacity to lead.
- It is important for the Rector/Priest-in-charge to ask the hard questions and any “red flags” be dealt with honestly and openly, in particular if the nominee is able to offer a clear and robust articulation of why a call to Holy Orders rather than lay ministry. Neither the Nominee nor the Church are well served when the Rector/Priest-in-charge avoids asking the hard questions.

The Nominee shall write a spiritual autobiography to share and discuss with the Rector/PIC.

- The spiritual autobiography is an account of one’s own life, one’s understanding of how God has been present in various significant events, and in certain significant people. One way to prepare for writing the spiritual autobiography is to think back over your life in blocks of time, such as childhood, high school, college, marriage, arrival and rearing of children, jobs and career changes, etc. Note any ways in which you saw, or now see, God’s hand at work in your life. Don’t neglect to include important events just because they were unpleasant, e.g., illness, divorce, death of a loved one, etc. Include significant people, events, and places even if God’s presence was not obvious to you at the time. (See **Addendum 2** for a copy of *Guidelines for Spiritual Autobiography*.)

The Nominee shall interview a deacon and a priest, neither of whom should serve in the Nominee’s congregation and write a reflection essay for discussion with the Rector/PIC. See **Addendum 3** for questions to be included in the interview and the reflection questions for the Rector/Priest-in-charge and Nominee to discuss following the interviews.

- The Rector/Priest-in-charge is seeking evidence that the Nominee is responding to God concerning the ordained ministry. Is the Nominee confusing a response to Christian service with a response to ordination? Are the Nominee’s primary interests congruent with the basic function of an ordained ministry? Are the Nominee’s innate abilities commensurate with the demands of the ordained ministry?

The Rector/Priest-in-charge shall discuss the financial and time demands of seminary/diaconal education and the potential impact on Nominee’s family. (**Addendum 4**)

The conversations between the Rector/Priest-in-charge and the Nominee should take no less than six months.

If the Rector/Priest-in-charge believes that the Nominee is better suited to lay ministry, assistance is provided in identifying suitable ministries. There are a number of resources available that may be offered to the Nominee to assist in clarifying the specific shape of his/her lay ministry, including Parker Palmer’s *Clearness Committee* or the asset-based tool from The Episcopal Church, *Called to Transformation*.

If the Rector/Priest-in-charge affirms that the Nominee should continue in the discernment process:

- Letter of Support of Rector/Priest-in-charge(**Addendum 5**) is completed and forwarded to the Bishop;

- Rector/Priest-in-charge completes the assessment tool *Qualities for a Life-giving Ordained Ministry* (**Addendum 1**) and it is forwarded to the Bishop;

- Nominee sends the following to the Bishop:
  - A completed Nominee Information Form (**Addendum 5**)
  - Nominee's spiritual autobiography
  - Nominee's reflection essay of the interview with a priest and a deacon.
  - Evidence of baptism and confirmation (if evidence of either sacramental rite are not available, please provide a brief statement of the time and place of the event)
- Rector/Priest-in-charge and Nominee request a meeting with the Bishop.

## **Step 2: Meet with the Bishop**

The purpose of the first meeting with the Bishop is:

- To provide the Bishop with adequate information of the Nominee's life circumstances and discernment of ministry;
- To allow the Bishop to assess the adequacy of the initial conversations with the Rector/PIC; and
- To allow the Bishop to assess the readiness of the Nominee to continue discernment.

Following the meeting, the Bishop may invite the Nominee to

- discern lay ministry;
- take more time for discernment and return at a later date;
- continue discernment and establish a Parish Lay Discernment Committee (PLDC).

If the Bishop approves the Nominee to continue discernment with a PLDC:

Nominee requests the *Psychological Packet* from the Bishop's Office.

The Nominee contacts the diocesan psychologist and schedules an appointment for the psychological evaluation. **It is the Nominee's responsibility to pay the expenses associated with the psychological evaluation. The Nominee's psychological evaluation must be done and the report provided to the Bishop prior to the completion of the PLDC's work.**

The Nominee makes an appointment with the Archdeacon.

Nominee engages a Spiritual Director. Contact the Canon to the Ordinary for the most up to date list of Spiritual Directors.

The Rector/Priest-in-Charge contacts the chair of the COM to receive a list of authorized PLDC trainers, and, utilizing the guidelines provided by the COM, appoints a Parish Lay Discernment Committee. (**Addendum 7**)

**It is strongly recommended that at this point in the process the Rector/Priest-in-charge notify the Vestry of the status of the Nominee and the next steps involved in a PLDC. The rationale is to apprise the Vestry of the financial costs of discernment and**

seminary/diaconal training and can then incorporate financial support in their budget planning. (Addendum 4)

### **Step 3: The Parish Lay Discernment Committee**

The Rector provides copies of the PLDC manual to the members of the PLDC and to the Nominee. The PLDC manual is available on the Diocesan website.

Before the PLDC begins its work, the PLDC, the Rector/Priest-in-charge, the Nominee and a Vestry liaison meet with a PLDC trainer for training.

Members of the diocesan Commission on Ministry and the Standing Committee may not serve on a PLDC.

Nominee provides PLDC with completed Spiritual Autobiography.

The work of the PLDC should take no less than six months.

The Nominee should verify that the psychological evaluation is done and the report is in the Bishop's office prior to the completion of the PLDC's work.

At any time after the six-month period, the convener of the PLDC submits a completed *Discernment Narrative*. (Found in *Guidelines for Parish Lay Discernment Committee*, pgs. 27-28). It is strongly recommended that following the completion of the narrative, the PLDC discusses it with the Nominee. The PLDC also completes and signs the *Recommendation Letter* to the Bishop along with the Rector/Priest-in-charge and the Nominee. The letter is then sent to the Bishop.

- If it is the PLDC's recommendation that the Nominee continue discernment to identify appropriate lay ministry, the Rector/Priest-in-charge offers to provide a Clearness Committee to assist the individual in his/her continuing discernment.
- If it is the PLDC's recommendation that the Nominee possesses qualities necessary for life-giving ordained ministry and should continue discerning his/her call into ordained ministry
  - Nominee requests *Application Packet for Postulancy* from the Bishop's office. Please know that this packet is a comprehensive document which will require considerable time and attention to detail and should not be rushed.
  - Nominee completes the Application Packet and sends it to the Bishop's office.
  - Upon completion of above, Nominee requests an appointment with the Bishop.

During this meeting, if the Nominee is discerning Priesthood, the Bishop may talk with the Nominee about the financial realities of this vocation in the present time.

If the Bishop chooses to invite the Nominee to the COM retreat, the COM Chair will connect directly with the Nominee to provide details of the retreat.

The Bishop's office provides the Nominee the forms to be completed for the medical examination and the background check as described in Title III.6.5 (j) for the Vocational Diaconate and Title III.8.5 (k) for the Priesthood. These forms should be completed and returned to the Bishop's office as soon as possible. The Nominee is responsible for the

expense of these examinations (see **Addendum 4**)

#### **Step 4: Commission on Ministry First Retreat**

COM retreats are scheduled in May and October each year.

If the Nominee is discerning a call to the priesthood, he/she must attend the COM retreat in May as their first retreat. If the Nominee is discerning a call to the vocational Diaconate, he/she may attend the COM retreat in either May or October.

The Nominee is responsible for expenses incurred for the retreats and must be paid in full prior to the meeting.

At the conclusion of the first retreat with the Nominee, the COM can recommend to the Bishop any of the following actions:

- Invite the Nominee to participate in Field Education.
- Ask the Nominee to return at a later date.
- Recommend the Nominee pursue lay ministry opportunities in the church.

❖ If the Bishop asks the Nominee to move forward in the process, work begins in Step 5.

#### **Step 5: Field Placement**

Upon recommendation of the COM following the first retreat, the Bishop arranges a field placement for the Nominee to be completed before the second overnight. See Guidelines for Field Placement (**Addendum 8**). The Canon to the Ordinary will communicate with the Nominee the next steps in the Field Education Placement process.

At the completion of the Field Placement, the supervising Rector/Priest-in-Charge must provide the Bishop's office a completed Field Placement Report (**Addendum 8**).

At the completion of the Field Placement, the Nominee must provide the Bishop's office a completed Field Placement Report (**Addendum 8**).

After review of Field Education Placement reports, and in consultation with the COM Chair, the Bishop may invite the Nominee to the second COM Retreat.

## **Step 6: Commission on Ministry Second Retreat**

At least one month prior to the second COM retreat:

- the Nominee submits an application letter requesting *Admission as a Postulant* (**Addendum 9**) to the Bishop;
- The Nominee's Vestry and Rector/Priest-in-charge submits a *Letter of Support for Postulancy* from Rector and Vestry (**Addendum 10**).

If the Nominee is married or in a committed relationship, his/her spouse/partner must attend the second retreat. The Bishop understands the call to ordained ministry to be both a blessing and a challenge to the whole family unit, not just the Nominee.

At the conclusion of the second COM retreat, the COM will:

- Recommend Postulancy; OR
- Recommend the Nominee to continue discernment and return to the COM at a later date. (Specific recommendations about time frame and further study and discernment will be communicated); OR
- Recommend the Nominee pursue lay ministry opportunities in the church. If it is the COM's recommendation that the Nominee pursue lay ministry opportunities, the Rector/Priest-in-charge will offer to provide a Clearness Committee to assist the individual in his/her discernment to identify the particular shape of his/her lay ministry.
  - Two years will be the length of time required before a person can formally enter a new discernment process.

The Bishop, at the conclusion of the second COM retreat:

- will inform the Nominee of the COM's recommendation and the Bishop's decision.
- The Bishop shall also notify the Nominee's Rector/Priest-in-charge, the COM and the Standing Committee, and the Archdeacon of the diocese of the Bishop's decision.

## Postulancy

Postulancy is the time between being a Nominee and a Candidate for Holy Orders that involves continued exploration of and formation in the Postulant's call to the Diaconate or the Priesthood. Postulancy is required to enter seminary or the Iona WNC School for Ministry.

- ❖ If the Nominee is seeking Ordination to the Priesthood:
  - Nominee submits a financial plan to the Bishop. The Bishop may request a financial plan at an earlier date if there are concerns about the Nominee's financial situation. A copy of this form is available from the Bishop's office.
- ❖ During the time of preparation for Holy Orders, all Postulants are expected to communicate with the Bishop by letter four times a year, in the Ember Weeks, reflecting upon academic, personal, and spiritual life and development.

## Candidacy

Candidacy is the time of education and formation in preparation for ordination. A Postulant may apply for Candidacy status after successfully completing one half of his/her Seminary studies or the Iona WNC School for Ministry and a minimum of six months after being granted Postulancy status.

To request candidacy:

- o The Postulant submits an *Application for Admission as a Candidate* (see **Addendum 11 or 12**) to the Bishop and it is kept on file. The request must include the date Postulancy was granted;
- o The Vestry and Rector/Priest-in-Charge of the Postulant's congregation must submit *A Letter of Support for Candidacy* (**Addendum 13**) to the Bishop.

Other documentation needed for candidacy:

- o A report is submitted from the seminary or Iona WNC School for Ministry related to the Postulant's suitability for Holy Orders.
- o An updated Spiritual Autobiography

The COM will review all requests for Candidacy at its next regular meeting or, if requested by the Bishop, at a designated meeting of the COM, and will make a recommendation to the Standing Committee. The COM's recommendation will be made after the COM has reviewed:

- Middler report from the seminary or report from diaconal training program;
- CPE evaluation, if applicable;
- Academic reports from the seminary or diaconal training program; and
- An updated spiritual autobiography.

The COM can recommend to the Standing Committee the following:

- ❖ The Postulant be granted Candidacy.
- ❖ The Postulant continue discernment through additional studies or programs as clearly outlined by the COM.
- ❖ The Postulant's request for Candidacy be denied.

Upon receipt of a statement from the COM attesting to the continuing formation of the Postulant, and having had the opportunity to review the documentation, the Standing Committee will then find the nearest opportunity to meet with the Postulant prior to rendering a recommendation to the Bishop that:

- ❖ The Postulant be granted Candidacy;
- ❖ The Postulant continue discernment through additional studies or programs as clearly outlined by the COM;
- ❖ The Postulant's request for Candidacy be denied.

Ultimately, the decision to admit the Postulant as a Candidate for Ordination resides solely with the Bishop. The Bishop may:

- ❖ Admit, deny or defer the Postulant as a Candidate for ordination; and
- ❖ Communicate the decision regarding Candidacy to the Postulant. At the request of the Bishop, the Chair of the Standing Committee may communicate the Bishop's decision to the Postulant.
- ❖ If Candidacy is granted, and the Candidate is in the process for the Priesthood, the Bishop registers the Candidate for the GOE.

A Candidate for ordination to the Priesthood must remain in canonical relationship with the Diocese in which admission has been granted until ordination to the Priesthood, except, for reasons acceptable to the Bishop, the Candidate may be transferred to another Diocese upon request provided that the Bishop of the receiving Diocese is willing to accept the Candidate. Title III.6.4(c) Please know a candidate's first vocational call and church placement must be in consultation with the bishop before any decisions are made.

Each Candidate for Ordination shall continue to communicate with the Bishop in person or by letter, four times a year, in the Ember Weeks, reflecting on the Candidate's academic, human, spiritual and practical development.

Any Candidate may be removed as a Candidate at the sole discretion of the Bishop.

- ❖ The Bishop shall give written notice of the removal to the Candidate, the Candidate's Rector/Priest-in-charge, the COM, the Standing Committee and the Dean of the seminary the Candidate may be attending or the director of the Iona WNC School for Ministry.

### **Ordination to the Diaconate (Vocational Deacons)**

A Candidate for the Diaconate (Vocational Deacon) may apply for Ordination at least six (6) months after being granted Candidacy and upon attainment of at least twenty- four years of age

- ❖ The Bishop shall obtain in writing and provide to the Standing Committee:
  - o An *Application for Ordination as a Deacon* (**Addendum 14**) from the Candidate requesting Ordination to the Diaconate.
  - o Evidence of admission to Postulancy and Candidacy.
  - o a *Vestry Letter of Support* from Candidate's congregation (**Addendum 15**).
  - o Covenant Agreement with the Internship Parish, as presented in the Diaconate Manual; and
  - o Certificate from the Iona WNC School for Ministry.
  - o A certificate, provided by the Bishop's office, from the COM giving a recommendation regarding Ordination to the Diaconate.
  
- ❖ If the medical, psychological examination and the background check have taken place more than **thirty-six months** prior to Ordination, they must be updated as stated in Title III.6.5 (j).

Upon review of the required documents, the Standing Committee:

- ❖ If a majority of the members consent, shall certify that the canonical requirements for Ordination to the Diaconate have been met, that there is no sufficient objection on medical, psychological, moral, or spiritual grounds and that they recommend to the Bishop approval of the Candidate's request for Ordination to the Diaconate.
- ❖ The Bishop informs the Candidate and the Candidate's Rector/Priest-in-charge of his decision.
- ❖ The Bishop sets the date for Ordination.

### **Ordination to the Diaconate for those called to the Priesthood**

A Candidate for Ordination to the Diaconate for those called to the Priesthood **must apply for Ordination by October 1**, after being granted Candidacy and upon attainment of at least twenty-four years of age.

The Bishop shall obtain in writing and provide to the Standing Committee:

- ❖ An *Application for Ordination as a Deacon* from the Candidate (**Addendum 14**).
- ❖ Evidence of the admission to Postulancy and Candidacy.
- ❖ *Vestry Letter of Support for Ordination as a Deacon* (**Addendum 15**).

- ❖ A certificate, provided by the Bishop's office, from the COM giving a recommendation regarding ordination to the Diaconate.

- ❖ A certificate from the seminary, showing:
  - o the Candidate's scholastic record in the subjects required by the Canons;
  - o the evaluation with recommendation as to the Candidate's other personal qualifications for ordination;
- ❖ If the medical, psychological examinations and the background check have taken place more than **thirty-six** months prior to Ordination, they must be updated as stated in Title III.8.5 (k).

Upon review of the required documents, the Standing Committee, a majority of all the members consenting, shall certify that the canonical requirements for Ordination to the Diaconate have been met and there is no sufficient objection on medical, psychological, moral, or spiritual grounds and that they recommend ordination.

- ❖ The Bishop informs the Candidate and the Candidate's Rector/Priest-in-charge of the Bishop's decision.
- ❖ The Bishop sets the date for Ordination.

### **Ordination to the Priesthood**

A person may be ordained a Priest at least six months after Ordination as a Deacon.

The Bishop shall obtain in writing and provide to the Standing Committee:

- ❖ An *Application for Ordination as a Priest* from the Deacon (**Addendum 16**);
- ❖ Evidence of the Deacon's dates of admission to Postulancy, Candidacy and Ordination as a Deacon;
- ❖ The *Vestry Letter of Support for Ordination as a Priest*(**Addendum 17**); and
- ❖ a certificate, provided by the Bishop's office, in which the COM attests to the successful completion of the program of formation designed during Postulancy (Canon III.8.5) and proficiency in the required areas of study, and recommending the Deacon for ordination to the Priesthood.

The Bishop may require reports from other persons attesting to the readiness of the Deacon for Ordination to the Priesthood.

On receipt of the letters and certificates, the Standing Committee, a majority of all the members consenting, shall certify that the canonical requirements for Ordination to the Priesthood have been met and there is no sufficient objection on medical, psychological, moral, or spiritual grounds and that they recommend ordination.

The Bishop informs the Deacon and a date for Ordination to the Priesthood is set with the Bishop.

**Addendum 1**  
**Qualities for a Life-giving Ordained Ministry**

**Nominee's Name:** \_\_\_\_\_

**Person completing the survey:** \_\_\_\_\_

**Date:** \_\_\_\_\_ **Role:** \_\_\_\_\_

**Introduction**

As the Commission on Ministry, we have attempted to articulate the qualities that we sense are needed in ordained leaders at this particular time in the life of the church—a time of great change, a time when the way of Jesus is vibrant, vital and life-giving, and a time when the Body of Christ in its institutional expression is under great stress. These qualities naturally fall into four areas of exploration: Spiritual Vitality, Sense of Self, Relational Maturity, and Capacity to Lead. These qualities exist in a wide range of personalities—for instance, introverts and extraverts may possess them, all nine of the enneagram types may possess them, or those who fit the frames of any of the other ways we understand human beings may possess them. We understand that no one person may possess all of these qualities, but at this point in the church's life, we believe these qualities point both toward the types of leaders we need and toward the capacities one needs for one's own sake to thrive in this work. We are aware that these capacities may not be fully developed at the early stages of the discernment process, especially if the Nominee is younger. In this instance, we are attempting to discern whether or not these qualities exist in some nascent form.

Discernment is the spiritual practice of listening deeply and intentionally to a person's life in order to hear and understand the movement of the Spirit, clarify God's call, and move more deeply into that call. In the Episcopal Church, we believe that discernment is best done in community over time. We have developed this survey instrument to provide the Nominee and the others involved at every level of the discernment process—Rector/Priest-in-Charge, Parish Lay Discernment Committee, Commission on Ministry, Standing Committee, Field Placement Supervisor, and Bishop—a way to discern the presence of these qualities in the Nominee. In our experience, as we circle back to these qualities at every level throughout the process, increasing clarity emerges about the shape of ministry that will be the most life-giving both for the Nominee and for the Church that he or she is seeking to serve.

**Instructions**

The qualities are divided into four areas of exploration: Spiritual Vitality, Sense of Self, Relational Maturity, and Capacity to Lead. Below each quality, there is a brief statement that articulates how the Commission on Ministry understands this quality. Some of us think more concretely, some of us think more narratively. We have provided both a rating scale and a place for narrative to capture as fully as possible your sense of these qualities in the Nominee. Though you may favor one approach over the other, please attend to both the rating scale and the narrative.

*Rating Scale*

Next to each quality, you will find a rating scale from 0-6. Please mark the scale to indicate the extent to which you see this quality in the Nominee, with 0 being Undeveloped and 6 being Strongly Developed. Your sense of this quality may be gathered through listening to the Nominee as they speak of their life and ministry up to this point and/or through direct observation and experience of the Nominee's life and ministry.

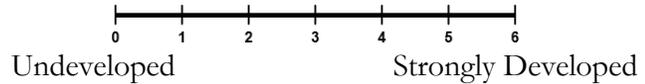

Narrative

Directly below each quality, are three lines. Please provide a brief narrative to express more fully your sense of this quality as it relates to the Nominee.

## SPIRITUAL VITALITY

*Our ordained leaders need to have a compelling spirituality because a tangible connection with the Living God is at the heart of all ministry. These qualities support and reveal such a spirituality.*

---

---

- Genuine love of the Body of Christ in all of its manifestations

Has a capacity to love the Body of Christ, in all of its manifestations, even when it is necessary to critique/challenge it. *Note:* The Body of Christ is to be found in the body of the Church, at the congregational/local level, diocesan level, church-wide level, and global level, *and* the Body of Christ is broader than any one institutional expression of the Church.

## Addendum 2

### Spiritual Autobiography Guidelines

All persons applying to enter the Ordination process are asked to submit a spiritual autobiography. The following guidelines are offered to explain what is expected.

**Definition:** An autobiography is one's account of one's own life. A SPIRITUAL autobiography adds one's understanding of how GOD has been present in various significant events and in certain significant people.

**Preparation:** One way to prepare for writing your spiritual autobiography is to think back over your life in blocks of time, such as childhood, high school, college, marriage, arrival and rearing of children, first job, job or career changes, etc. As you do so, note any ways in which you saw, or NOW see, God's hand. (Often we recognize God's presence in retrospect, more than we do at the moment.)

Don't neglect to mention important events just because they were unpleasant (e.g. illness, divorce, death of a loved one, etc.) include all significant people, events and places, even if God's presence was not particularly obvious to you.

**Suggestions:** *Begin this exercise with prayer.*

Remember Jesus' "summary of the Law", that we are to love the Lord our GOD, and our NEIGHBOR as OURSELF. Some of the things noted in your spiritual autobiography might reflect how you see your past and present relationship to (1) God, (2) your neighbor, and (3) yourself:

1. What is my personal relationship with GOD?
2. How well do I relate to my NEIGHBORS?
3. How do I feel about MYSELF?

**Length:** Don't be overwhelmed by the above, or discouraged. These are only suggestions, intended as possible aids in your self-examination. Don't be concerned about saying all the "right" things. There is not a requirement on how long or how short your spiritual autobiography should be. If you wish, you may submit another spiritual autobiography later on, revising it or adding further thoughts. Also, the COM may at some time ask you to revise it or to provide further reflections on your spiritual

journey.

### **Addendum 3**

## **Nominee's Interview with a Deacon and a Priest**

The Nominee should interview a deacon and a priest (neither of whom should serve in the Nominee's congregation) and ask them the questions listed below. The answers will not be shared with the Rector/Priest-in-charge but rather the Nominee's reflections on what was learned. It would be good for the Nominee to explain how the interviews are being used when making arrangements for the interviews. Please allow one to two hours.

#### **Interview Questions:**

1. How did you experience your call to ordained ministry and how has your understanding and experience of that call changed, grown, or focused over time?
2. Describe the ministry of a deacon, as you understand it.
3. Describe the ministry of a priest, as you understand it.
4. Describe the process of vocational discernment that led to your ordination. What in/during that process helped clarify for you and the Church that your call to ordained ministry was that of the Diaconate/Priesthood?
5. Tell me about a few of your experiences of greatest learning and growth while you were preparing for ordination.
6. Tell me about a few of your experiences of greatest learning and growth since you were ordained.
7. What is the most difficult aspect of ordained ministry for you? For your household?
8. What has been the "cost" of ordination for you and your household? What have you and your household sacrificed in order to respond to this vocational call?

**The Nominee is to write a 1000-word essay in which he/she reflects on what has been learned from these interviews which addresses the following questions. The Nominee is to share this essay with the Rector/Priest-in-charge for discussion and, should the Nominee continue discernment, with the PLDC.**

- o What was stirred up in you as you listened and remembered the interview?
- o How do you understand the public nature of ordained ministry and the potential stresses that ordination will put on your household?

- o How do you think your age may affect your vocation as an ordained person? What might its positives and its negatives be?

#### **Addendum 4**

### **Expected Financial Costs of Discernment, Seminary or Diaconal Training**

It is the hope and expectation of the Bishop and the Commission on Ministry (COM) that the Nominee and the Nominee's congregation will begin a conversation early in the process to discuss the realistic sharing of these expenses. If a congregation lifts up a member of their congregation for Holy Orders, the congregation should be willing to offer that person significant financial support.

If the Nominee is invited by the Bishop to continue in discernment:

- ❖ The psychological evaluation is scheduled (paid to the diocesan-appointed psychologist): **\$900**
  
- ❖ A PLDC is formed and trained for their work by a consultant appointed by the Bishop and the COM. (Note: this fee plus mileage [2017 IRS reimbursement rate of \$.535/mile] is paid by the congregation to the Diocese who pays the consultant) **\$150 (plus mileage)**

If the Rector and the PLDC affirm the Nominee's call to Holy Orders and the Bishop invites the Nominee to attend the retreat with the COM and the Standing Committee of the Diocese: (Note: This meeting begins on Friday morning and ends on Saturday which would require the Nominee to take time from work to attend the entire session.)

- ❖ Oxford Background Check (paid to the Diocese): **\$350**
  
- ❖ Medical examination (paid to physician; cost is dependent upon Nominee's health insurance) **\$350**
  
- ❖ Cost of room and board at COM retreat **\$125**

If the Nominee is invited by the Bishop to return for a second retreat with the COM, the following expenses will be incurred: (Note: This meeting begins on Friday morning and ends on Saturday which would require the Nominee to take time from work to attend the entire session.)

- ❖ Cost of second retreat (covers cost of room and board for Nominee and his/her spouse, if applicable) **\$125 - \$250**

If the Nominee receives Postulancy, the costs of formation:

- ❖ Deacons: IONA Formation Program: **\$3000**  
(3-year program  
@ approximately \$2200/year,  
plus books, vestments, travel, etc.) **\$150**  
**\$3000**
- ❖ Priests: **\$150**
  - o GRE **\$60,000 - \$125,000+\***
  - o IONA Formation for bi-vocational priests
  - o Residential seminary application fees (estimated)
  - o Three years of residential seminary (estimated)\*

\*(**Note:** this is calculated based on annual costs of \$20,000-\$35,000/year depending on which of the approved Episcopal seminaries one attends. This estimate does not include the cost of books, vestments, or other incidental living expenses. It also does not take into consideration scholarships which may be available through the seminaries that would reduce the cost.)

- o Clinical Pastoral Education (CPE) fees **\$500**

If the Postulant receives Candidacy:

- ❖ Updated psychological and medical examinations may be required again per the Canons prior to Ordination.

**Addendum 5**

Therefore, I strongly affirm the Nominee's proceeding in the discernment process in the Diocese of Western North Carolina.

## Commission on Ministry Policies and Guidelines

### A. Terms of COM Membership

The Commission on Ministry is composed of up to 18 members who are appointed by the Bishop and ratified by Diocesan Convention.

Members will serve a three-year term with the option for the Bishop to appoint a Member to a second term. Three people rotate off and on each year.

Terms end at year end.

It is the norm that, except where the Bishop has cause to make an exception, two (2) years will pass before a person can be reappointed to the Commission. Officers will include a Chair, a Vice-Chair and a Secretary, all appointed by the Bishop. The length of Officers' service will be determined by the Bishop in consultation with the Chair.

### B. Meeting Dates and Times

The Commission on Ministry meets twice each year for an Retreat with the selected Nominees, Postulants and Candidates. The exact days and times and locations change each year.

The Commission on Ministry also meets monthly, when necessary, or unless otherwise rescheduled due to the volume of business to be done. Meetings are usually scheduled in concert with the Standing Committee and according to the Bishop's schedule.

Scheduled meetings typically occur at the Bishop Henry Center.

### C. Attendance

Members are expected to make attendance at meetings an important priority. Guiding a person's discernment requires developing relationships not only with Nominees but also with other members of the COM. **Attendance is most important at COM retreats.**

### D. Voting

When voting during the discernment process, a majority of the combination of negative responses and/or abstentions will be interpreted as a "no". Those voting "no" or abstaining should be prepared to share with the group why they voted as they did.

New members to the Commission can "pass" on a vote if they feel they don't know enough

about the Nominee/Postulant/Candidate.

## **E. Purpose of Psychological Testing**

The psychological evaluation will be scheduled before the Nominee meets with the Parish Lay Discernment Committee.

The purpose of the psychological evaluation is to provide the Bishop with information that will:

1. help clarify the call the Nominee is sensing and identify Nominee's strengths, weaknesses and gifts.
2. identify any psychological and relational patterns that, while not significantly impairing one's interpersonal relationships, need to be addressed for the health and wholeness of one's life and work, i.e., the identification of growing edges.
3. identify any acute psychological distress under which the Nominee may be operating.
4. identify any enduring personality characteristics which can significantly impair interpersonal relationships. Of particular concern are issues of authority, sexuality, self-esteem/direction and potential for caring for others.

In the event that serious problems are revealed during the psychological evaluation, the Bishop may refer the Nominee to another health-care professional for further examination or therapy.

### **Format of testing:**

In order to accomplish the purpose of the testing, the components of the examination may include, but are not limited to, the following:

1. MMPI, a personality inventory test which is structured and standardized.
2. A Rorschach, a non-structured personality test which presents the individual with stimuli and records the projected information.
3. Myers-Briggs Type Indicator.
4. Any other testing components the psychologist, in consultation with the Bishop, select.

Two interviews will be held, totaling around three-and-one-half hours, preferably with a shorter intake interview and a longer post-test evaluation session.

The professional doing the interviews conducts and scores/studies the test and submits a written report to the Bishop following the final interview. Nominees are responsible for payment and can seek help from their parish if necessary. The Diocese can offer assistance in the case of extreme need.

### **Appeal process:**

It is hoped that questions and concerns of the psychological evaluation can be addressed in the feedback interview. It is expected that, if a Nominee has a question or controversy with the final report, the Nominee will first talk with the professional who conducted the interviews and

testing. Should this not be resolved to the Nominee's satisfaction, the Nominee should address her/his concerns to the Bishop.

## **F. COM Retreats**

People in the discernment process will not be assigned to rooms with COM members at the COM retreats.

## **G. Seminarian Assistance**

Each Seminarian receives regular financial assistance in a very modest amount from the Bishop twice a year. Other financial assistance should be discussed with the bishop.

## **H. Discernment Processes During Interim Periods**

It is the norm that a Parish does not initiate a discernment process during an Interim Phase in the Parish. Requests for exceptions are to be addressed to the Bishop.

## **I. Application for Candidacy**

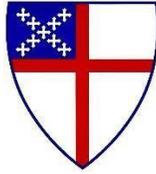

Before a Postulant can apply for Candidacy, he/she will have completed one and a half years of Seminary or be at least halfway through the Diaconal Formation Program.

## **J. Deployment of Seminary Graduates**

In early December of a Seminarian's final year, if the Bishop does not know of a specific placement for that person within our Diocese, he or she may be given permission to look at places and to be in communication with the Deployment Officers or Bishops of other Dioceses. However, before one makes a commitment to another Diocese, he or she must be back in touch with the Bishop. Permission to talk to others is only a conditional release, not an absolute or full release. It is done to give the Seminarian an opportunity to be in touch with the greater job market and to become informed of possibilities, but acceptance of another job is not possible without the full release from the Bishop.

During a time of conditional release the Seminarian ought to from time to time be in touch with the Deployment Officer of the Diocese to see what developments might have occurred in Western North Carolina.

When one, with the Bishop's approval, enters into an agreement for placement in a Parish within our Diocese or within another Diocese, and when the Standing Committee and the Bishop have given their consents for the Candidate to be ordained, he or she should contact the Canon to the Ordinary in order to make plans for the Service of Ordination to the Diaconate.

**Canons of The Episcopal Church**  
**TITLE III MINISTRY**  
**CANON 2: Of Commissions on Ministry**

**Sec. 1.** In each Diocese there shall be a Commission on Ministry ("Commission") consisting of Priests, Deacons, if any, and Lay Persons. **Sec. 2.** The Commission shall advise and assist the Bishop:

- (a) In the implementation of Title III of these Canons.
- (b) In the determination of present and future opportunities and needs for the ministry of all baptized persons.
- (c) In the design and oversight of the ongoing process for recruitment, discernment, formation for ministry, and assessment of readiness therefore.

**Sec. 3.** The Commission may adopt rules for its work, subject to the approval of the Bishop; *Provided* that they are not inconsistent with the Constitution and Canons of this Church and of the Diocese.

**Sec. 4.** The Commission may establish committees consisting of members and other persons to report to the Commission or to act on its behalf.

**Sec. 5.** The Bishop and Commission shall ensure that the members of the Commission and its committees receive ongoing education and training for their work.

**The Diocese of Western North Carolina**

**The Commission on Ministry**

**SECTION 1.**

- (a) At each Annual Convention, the Bishop shall nominate and the Annual Convention shall...members of the Commission on Ministry, to consist of not less than five nor more than eighteen persons divided among clergy and lay persons, and their term of office shall be six years; provided, however, should there be no nomination and confirmation at an Annual Convention, the incumbent

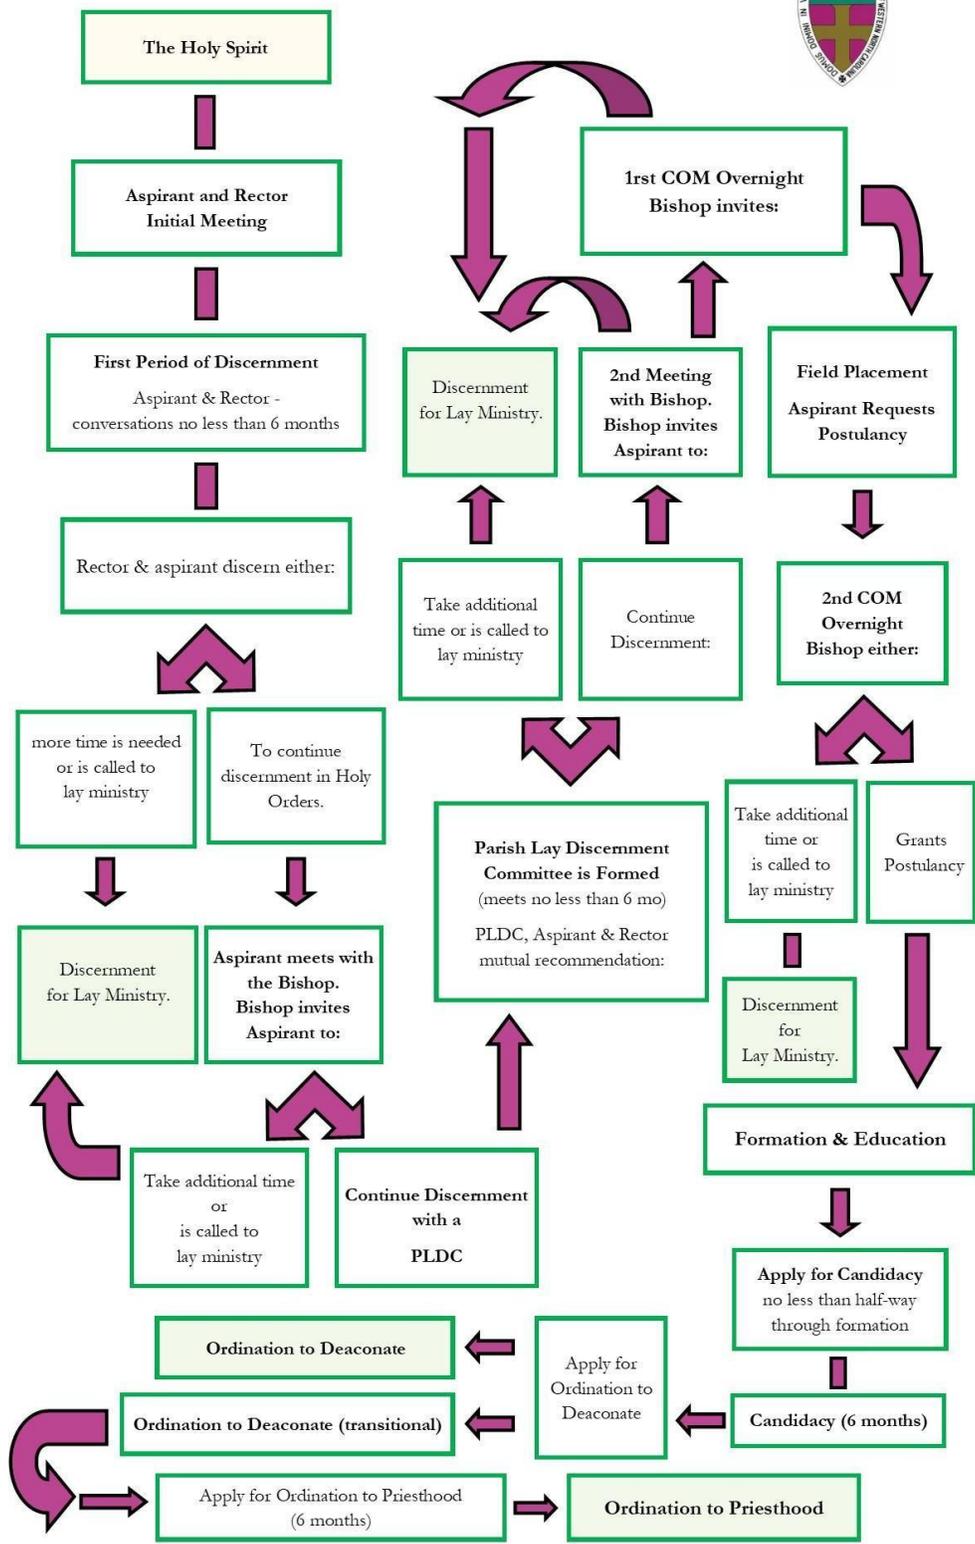

Commissioners shall continue in office until their successors are nominated and confirmed.

- (b) At the discretion of the Bishop, the Commission on Ministry may join with like Commissions of other diocese in performing the duties hereinafter prescribed.

## SECTION 2.

- (a) It shall be the duty of the Commission on Ministry to assist the Bishop: (1) in matters pertaining to the enlistment, selection, examination, education, training, pastoral care, deployment and continuing development of those in process for the ordained ministry: (2) in matters pertaining to the continuing development of the Clergy of the Diocese: and (3) in providing guidance and pastoral care for professional church workers.
- (b) Subject to **Canons of General Convention** and of this **Convention**, and subject further to the approval of the Bishop, the Commission on Ministry shall have authority to appoint such committees from and beyond its membership as it may find necessary to act in its behalf.
- (c) The Commission on Ministry shall provide for the conduct of those canonical examinations assigned by the **Commission by General Convention Canons: provided that** the Bishop shall always appoint the persons who are to conduct said examinations, and **provided further that** a report of such examination shall be forwarded to the **General Convention's Board for Theological Education**.
- (d) In the presence and under the guidance and oversight of the Bishop, the Commission on Ministry shall provide that each Candidate be interviewed before ordination, alike to the Diaconate and to the Priesthood, to ascertain the candidate's personal readiness for such ordination, and shall without delay report in writing the findings of such interview to the Standing Committee of the Diocese.

Diocese of Western North Carolina

## **Diocese of Western North Carolina Discernment for Ministry Checklist and Helpful Information**

**Nominees are required to read this checklist in full and should share this information with their presenting priests.**

### **Scheduling and Deadlines**

It is imperative that discernment is not rushed in order to make any of the deadlines within this checklist. Please note that the bishop's office must be in possession of the entire application at least four weeks in advance of the interviews. This includes the psychological evaluations. Please Note: the psych evaluation can sometimes take 60 days to complete.
